

## One Medical Introduces One Medical Now Virtual Care

August 12, 2020

### Digital health offering advances service to national employers

SAN FRANCISCO, Aug. 12, 2020 (GLOBE NEWSWIRE) -- [One Medical](#) (Nasdaq: ONEM), a leading national digital health and primary care organization, today announced One Medical Now, a virtual-only offering for companies. Rolled out this past quarter, One Medical Now has seen strong interest from national employers looking to provide the One Medical service experience to employees in markets where One Medical doesn't currently offer a physical presence.

One Medical Now continues One Medical's distinctive approach to synchronous and asynchronous virtual care bundled as part of an enterprise solution. One Medical Now builds upon One Medical's proprietary technology platform and salaried provider model, to deliver outstanding service and value-based care to employers. Through this offering, One Medical is further broadening its footprint, expanding reach within existing employer accounts, and building relationships with new national employer clients.

One Medical Now is the latest example of how One Medical continues to serve the needs of its more than 7,000 employer clients. Other recent product developments include the launch of One Medical's [Healthy Together](#) COVID-19 workplace reentry program, the expansion of [pediatric services](#) to extend care to the entire family, and the launch of One Medical's [Mindset](#) behavioral health services integrated within the primary care platform.
