EXPLANATORY NOTE

On September 2, 2022, 1Life Healthcare, Inc. (“One Medical”) filed a Current Report on Form 8-K (the “Original 8-K”) to update and supplement the definitive proxy statement on Schedule 14A (the “proxy statement”) filed by One Medical with the Securities and Exchange Commission on August 24, 2022 relating to One Medical’s special meeting of stockholders scheduled for September 22, 2022.

This Current Report on Form 8-K/A, which amends the Original 8-K, is being filed solely for the purpose of adding the Cover Page Interactive Data File (embedded within the Inline XBRL document), which was inadvertently omitted from the Original 8-K. No other changes have been made to the Original 8-K, which is incorporated by reference into the proxy statement, and there are no changes to the contents of Item 8.01 below.

Item 8.01 Other Events.

Supplemental Disclosures to the Proxy Statement

As previously disclosed, on July 20, 2022, One Medical entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Amazon.com, Inc., a Delaware corporation (“Amazon”), and Negroni Merger Sub, Inc., a Delaware corporation and an indirect wholly owned subsidiary of Amazon (“Merger Sub”), providing for, among other things, the merger of Merger Sub with and into One Medical (the “Merger”, and, together with the other transactions contemplated by the Merger Agreement, the “Contemplated Transactions”), with One Medical surviving the Merger. One Medical’s board of directors unanimously approved the Contemplated Transactions and resolved to recommend that the One Medical stockholders adopt the Merger Agreement and approve the Contemplated Transactions at a meeting of its stockholders.

In connection with the Merger, One Medical and Amazon filed notification and report forms under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”) with the U.S. Federal Trade Commission (the “FTC”) and the Antitrust Division of the U.S. Department of Justice (the “DOJ”) on August 3, 2022.

On September 2, 2022, One Medical and Amazon each received a request for additional information and documentary materials (the “Second Request”) from the FTC in connection with the FTC’s review of the Merger. The Second Request is a next step in the regulatory review process.

The effect of the Second Request is to extend the waiting period imposed by the HSR Act until 30 days after One Medical and Amazon have substantially complied with the Second Request, unless that period is extended voluntarily by the parties or terminated sooner by the FTC.

Both parties expect to promptly respond to the Second Request and to continue to work cooperatively with the FTC in its review of the Merger.

Completion of the Merger remains subject to the expiration or termination of the waiting period under the HSR Act and the satisfaction or waiver of the other closing conditions specified in the Merger Agreement.
